

DELHI TOWNSHIP PARKS & RECREATION T-BALL (Preschool)

LEAGUE PHILOSOPHY

This program exists to serve the needs of our youth. All involved should be allowed to participate on an equal basis in a low competitive atmosphere. The primary focus should be on individual development (learning all the positions), FUNDamentals and teamwork. The main emphasis is on having fun, involving the family and developing a positive self-image. Good sportsmanship is always expected from the players, coaches and parents.

The Delhi youth leagues are set up for participation and not win - loss records. If a team shows up with less than the required number of players and wishes to play, the game will be played. It is encouraged that the other team lend a player(s) whenever possible.

COACH / PLAYER CONDUCT

This is Preschool T-ball. Enjoy the experience. Let's make sure every child / parent enjoys themselves, so they want to play again.

SPORTSMANSHIP

To keep up with our recreation philosophy and sportsmanship, shake hands at the end of the game.
